

Bethany Wedding Officiate Request Form

Congratulations on your engagement! We wish you the very best and look forward to working with you to help make your wedding day a cherished memory. To assist in finding a Bethany Pastor for your wedding please read and fill out the following information.

Preparing for Your Wedding Day

Premarital Class and Counseling

The officiating pastor, wishing to contribute to the success and happiness of your marriage, will **require** your participation in a Premarital Class before your wedding. Bethany's class is offered during the Fall, Winter, and Spring quarters along with an abbreviated Summer class. Premarital counseling consists of seven class sessions and two individual counseling sessions with the marrying pastor (or Marriage Ministry team if marrying pastor is not available).

You also have the option of arranging for outside individual premarital counseling or class to meet this premarital counseling requirement.

There are many ways to have a wedding, but we take seriously inviting the Lord to bless your marriage within the church.

Therefore, Pastors at Bethany reserve the right to decline participation in the wedding if the premarital counseling reveals significant concerns. Every attempt will be made to ascertain this as early as possible in the premarital counseling process.

The couple will be asked to participate in an on-line "SYMBIS Couple Inventory" (\$35/couple) as an assessment tool to aid the pastors in the premarital counseling process.
