BETHANY COMMUNITY CHURCH
NORTHEAST

Welcome to Bethany Northeast

We're glad to have you join us!

As one of six Bethany Community Church locations in the Seattle area, we strive to be a body that invites people to God, Community, and Wholeness.

Our prayer for you today is that God might make us all more aware of how we can participate in the life of God that's present around us. Whether you join us for Sunday Worship online or onsite, experience God through our Children, Youth, and Family Ministries, connect with others in one of our Groups & Formation offerings, or desire to explore how God is working through our Outreach Ministries and our Ministry of Racial Justice and Reconciliation, we hope that you will discover God through connection today.

MINISTRY OF RACIAL JUSTICE & RECONCILIATION

The Ministry of Racial Justice and Reconciliation is an initiative across all Bethany Community Church campuses in the greater Seattle area. Each campus has its own MRJR team that is part of the church-wide ministry, whose leaders from all campuses meet quarterly.

We believe all people are created in the image of God and we need to embrace and lift up different experiences, perspectives, approaches, and expressions of God's image to get the fullest understanding of God. Throughout the year, we host events and elevate voices in service that give us all a deeper appreciation for the ways that God is revealed through the lenses of different cultures and ethnicities.
